

## LIMITED WARRANTY

The warranty obligations of Shaw Coatings Resurfacing are limited to the terms set forth below:

### What is Covered:

The limited warranty covers defects in materials and workmanship in this product. However, we can't guarantee that the finish won't chip or scratch if mistreated, whether intentionally or accidentally.

### What is Not Covered:

Problems caused by chemicals, abrasives, dyes, leaking faucets, standing water, bathmats, tools, structural problems, foundation movement , etc... are not covered by warranty but once cured, are easily repaired in most cases. Please be aware that although we take great care, old fragile wallpaper and paint will sometimes "pull" off when we remove the masking materials.

### The Warranty is Voided If:

1. The Waiting Period Is Not Honored: The newly refinished area needs 24 HOURS to cure. Keep it free from water during this time.
2. You use harsh abrasive cleaners, bleaches or scratch pads.
3. You use products containing bleach, citric acid, etc., that may stain or mar the finish.
4. Damage to the surface is caused by any burns, knife marks, sharp objects, etc., whether intentional or accidental.
5. There is any movement in the substructure of the surface, which, in turn, causes movement in the refinished surface. Any resulting cracks or splits in the refinished surface or grout lines are not covered under the warranty.

### How Long Does this Coverage Last:

This limited warranty lasts for one (1) year from the date of original purchase of this product.

### Who Is Covered:

Only the original purchaser of this product is covered under this limited warranty. This limited warranty is not transferable to subsequent purchasers or owners of this product.
